Big Dick **LITTLE CHICK!**

She May Be Tiny, But She's
Mighty...Mighty Horny For
Any Guy Who's Swinging
A Humongous Cock!

Most tiny babes wish they were a foot taller, like fashion models, because clothes always seem to look better on tall chicks. But Daria, who stands four-feet-eleven in her bare little feet, is happy being small, thank you very much. As she tells it, she loves big men who can pick her up in their big arms like a baby and carry her to a bed and fuck the living bejesus out of her. She especially loves guys with big, fat cocks, which are easier to find when you're four-eleven. After all, a cock that looks big in Daria's hand—or in her mouth—would look smaller with a chick who's *five*-eleven!

Daria can't figure out what turns her on the most: A fat cock stuffed in her pussy or in her mouth. But with Kevin she has to admit that merely gazing upon his gigantic prick is enough to get her gag reflex going. Maybe it's just a psychological thing with her, but Daria needs to feel as if she's being "filled up" with cock, as if all that hot, pulsating and cum-spraying meat is replacing a dark emptiness inside her. All Daria knows is that she's crazy for a big dick!

ARCAD*Oral*E

Her World "Tilts" Upside
Down When She Meets
This Pinball Jizz Wizard
With Balls Of Steel!

The arcade isn't usually a great place to pick up chicks, but Claudia just happens to be a pinball groupie. It probably has something to do with her memories of that old pinball machine her dad had in the family game room many years ago. She remembers fondly the flashing lights, the zinging and the ringing. The later machines—from Ms. PacMan to the home X-Box—leave her cold with their dull electronic noise. But any guy who knows how to finger those old flippers and keep those steel balls in play will definitely rack up points (and future games) with her.

Claudia's favorite fantasy is to kneel between a man's legs while he's playing pin-ball and suck on his cock as she hears the machine's lively bells and the clacking of points adding to the score. And if he's good enough to concentrate hard enough on the game to keep the ball moving, even after he starts to feel his own balls kicking to signal an orgasm, she loves him even more. Nothing is more exciting to feel than the hot cock in her mouth, the jizz in her throat, and the knock of new games being tallied as the points ring higher.

Paul, Ashley
& Krista

PATIO PLAY THINGS

Tired Of Just Sitting
Around The Pool, He
Calls His Favorite
Booty-Call Bimbos!

Paul's one of those nerds you knew in high school who's now, thanks to the dot.com industry, a young millionaire. Paul can come and go as he likes, and one thing he likes to do is *come*. That's when he calls up his fuck sluts, who just happen to be the younger sisters of the girls who once spurned him in high school.

Wealth certainly has its privileges.

Back in high school, Paul couldn't get laid to save his soul, and the popular girls he lusted after would laugh behind his back because of his lack of social skills. "What a nerd," they'd say to each other between giggles.

"Why would a cheerleader even give the time of day to a guy who spends his time in computer and math classes and looks at his feet whenever he tries to talk to you?" Back then they called him Poor, Pitiful Paul. But that was *then*!

Unlike your garden-variety young millionaire, Paul formed his company in his home town and stayed there. These days, those old classmates would love to get their tender hooks into him, but he wouldn't give them the time of day. But their younger sisters, well, that's something else. When he feels like it, the little hotties can come over, swim in his pool, eat catered gourmet dinners, and suck on his cock.

It truly is the revenge of the nerd. Paul is living the good life, and the most beautiful young girls in town—like Ashley and Krista—are throwing themselves at him, offering him whatever sexual favors they think will endear them to him. Their older sisters, who once scorned Paul, would also like to come by and drink with him on his patio, but of course they're much too "old" and not hot enough for him. Sorry, girls, you had your chance, back when Paul was just a nerd.

SEX SECRET REVEALED!

HOLY SHIT!

3 Times in One Night?!

“His cock was so completely HARD & BIG. And his staying power was INSANE.”

SECRET “Sex Serum” Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it - "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again.

Alexa - from Vegas

Samantha & Kurt

KITCHEN QUIM

Nothing Says Lovin' Like Shovin' Near The Oven!

Some folks say a woman's place is in the kitchen, while others say it's the bedroom. But with Samantha, any room is great whenever the urge to get her hands (and mouth) on a cock overtakes her. Lucky for her she has a roommate, Kurt, who's always happy to help around the house. (Lucky for Kurt, too.) It's really amazing how she manages to get anything done around the house. She has to shove Kurt out the door and tell him not to come back for an hour. But when he gets back, wow!!!!

Kurt's accustomed to being accosted by Samantha at the most unusual times in every room of the house.

But whether he's brushing his teeth in the bathroom, reading the newspaper in the living room, hunting for something in the garage, or getting a drink of water in the kitchen, he's always ready to jump into action whenever she storms into the room with that glint in her eye. Today it's the kitchen. With a sweep of the hand he clears the table, but he knows that no matter where they start, by the time they reach their climax they'll be on the floor.

Samantha definitely loves her afternoon snacks. The kitchen is a special room that makes her want to satisfy her oral craving for hours. Come to think of it, the kitchen's her favorite part of the house. There's always the lingering, comforting smells of cooking that make her feel happy and content. And nothing enhances her sexual pleasure like the feeling of contentment. And for Samantha, nothing says lovin' like a blowjob near the oven!

Key to **SUCK-SESS**

As The Producer Of An
Upcoming Sex Epic, She's
Determined To Show Her
Main Actor How She
Sucks Seed!

Like so many young women today, Victoria is taking over production duties in the glamorous and lucrative world of adult movies. With a degree in business management and a body that just won't quit, Victoria loves all the attention and the power of riding herd on her cast and crew, as well as the satisfaction of making the careers of hot chicks and stiff young studs. But the best part of the job, she'll tell you, is auditioning all the guys to see if they can get it up and keep it up—and keep it in her mouth without splashing hot jizz down her throat before she's ready for it!

"I have to know that I can depend on you to come through for me on my film project," Victoria tells Samuel, as she kneels at his feet and unzips his trousers without taking her eyes off his. "I need to know that you will stand and deliver when it comes time for your big moment. The very last thing I need is a star who isn't up to the hard task I have planned for him. Do you think I can depend on you?" Victoria asks in the moment just before the purplish head of his cock disappears into her sweet and ravenous mouth!

Victoria briefly spreads her pussy to try out Samuel's fucking skills, but clearly it's the way his cock fits (and melts) in her mouth that she's really interested in. She knows from experience that men—the main consumers of porno—love to see beautiful girls sucking cocks, so a stud in one of her sex epics needs to be able to take lots of hot sucking without popping too soon. And she's just the girl to audition him, all day if necessary!

CARNAL CAMERA

A sex therapist friend of ours named Sammi always videotapes appointments with new or prospective clients, in case there are some misunderstandings down the road. One of the problems, she tells us, is that many of her clients will have second thoughts or claim that she didn't fully explain things to them. "I make my videotapes for my own protection," she tells us, "but if the client wants a copy, I'll make one for them too. I want everything to be on the up and up." This is especially important, also, because Sammi sometimes works with sexually dysfunctional clients who need extra care. Since she's licensed as a "sex surrogate," Sammi can help them overcome sexual problems in a way that could be construed as illicit. Hence the videotape.

Sammi knows she can't practice as a therapist and a sex surrogate without the protection of a videotape that lays out exactly what the relationship is!

Her client Mark is a typical case. He's nice looking, but his father left home when he was still a boy, and Mark was pussywhipped by a doting mother and two aunts when he was growing up. They taught him to be a nice guy, to always treat women with the utmost respect, but now that he's grown up, his mild, passive behavior around women works against him.

Sammi's client, Mark, needs to learn how to express his sexual needs to the women he meets. He has to stop being a wuss and start being a stud!

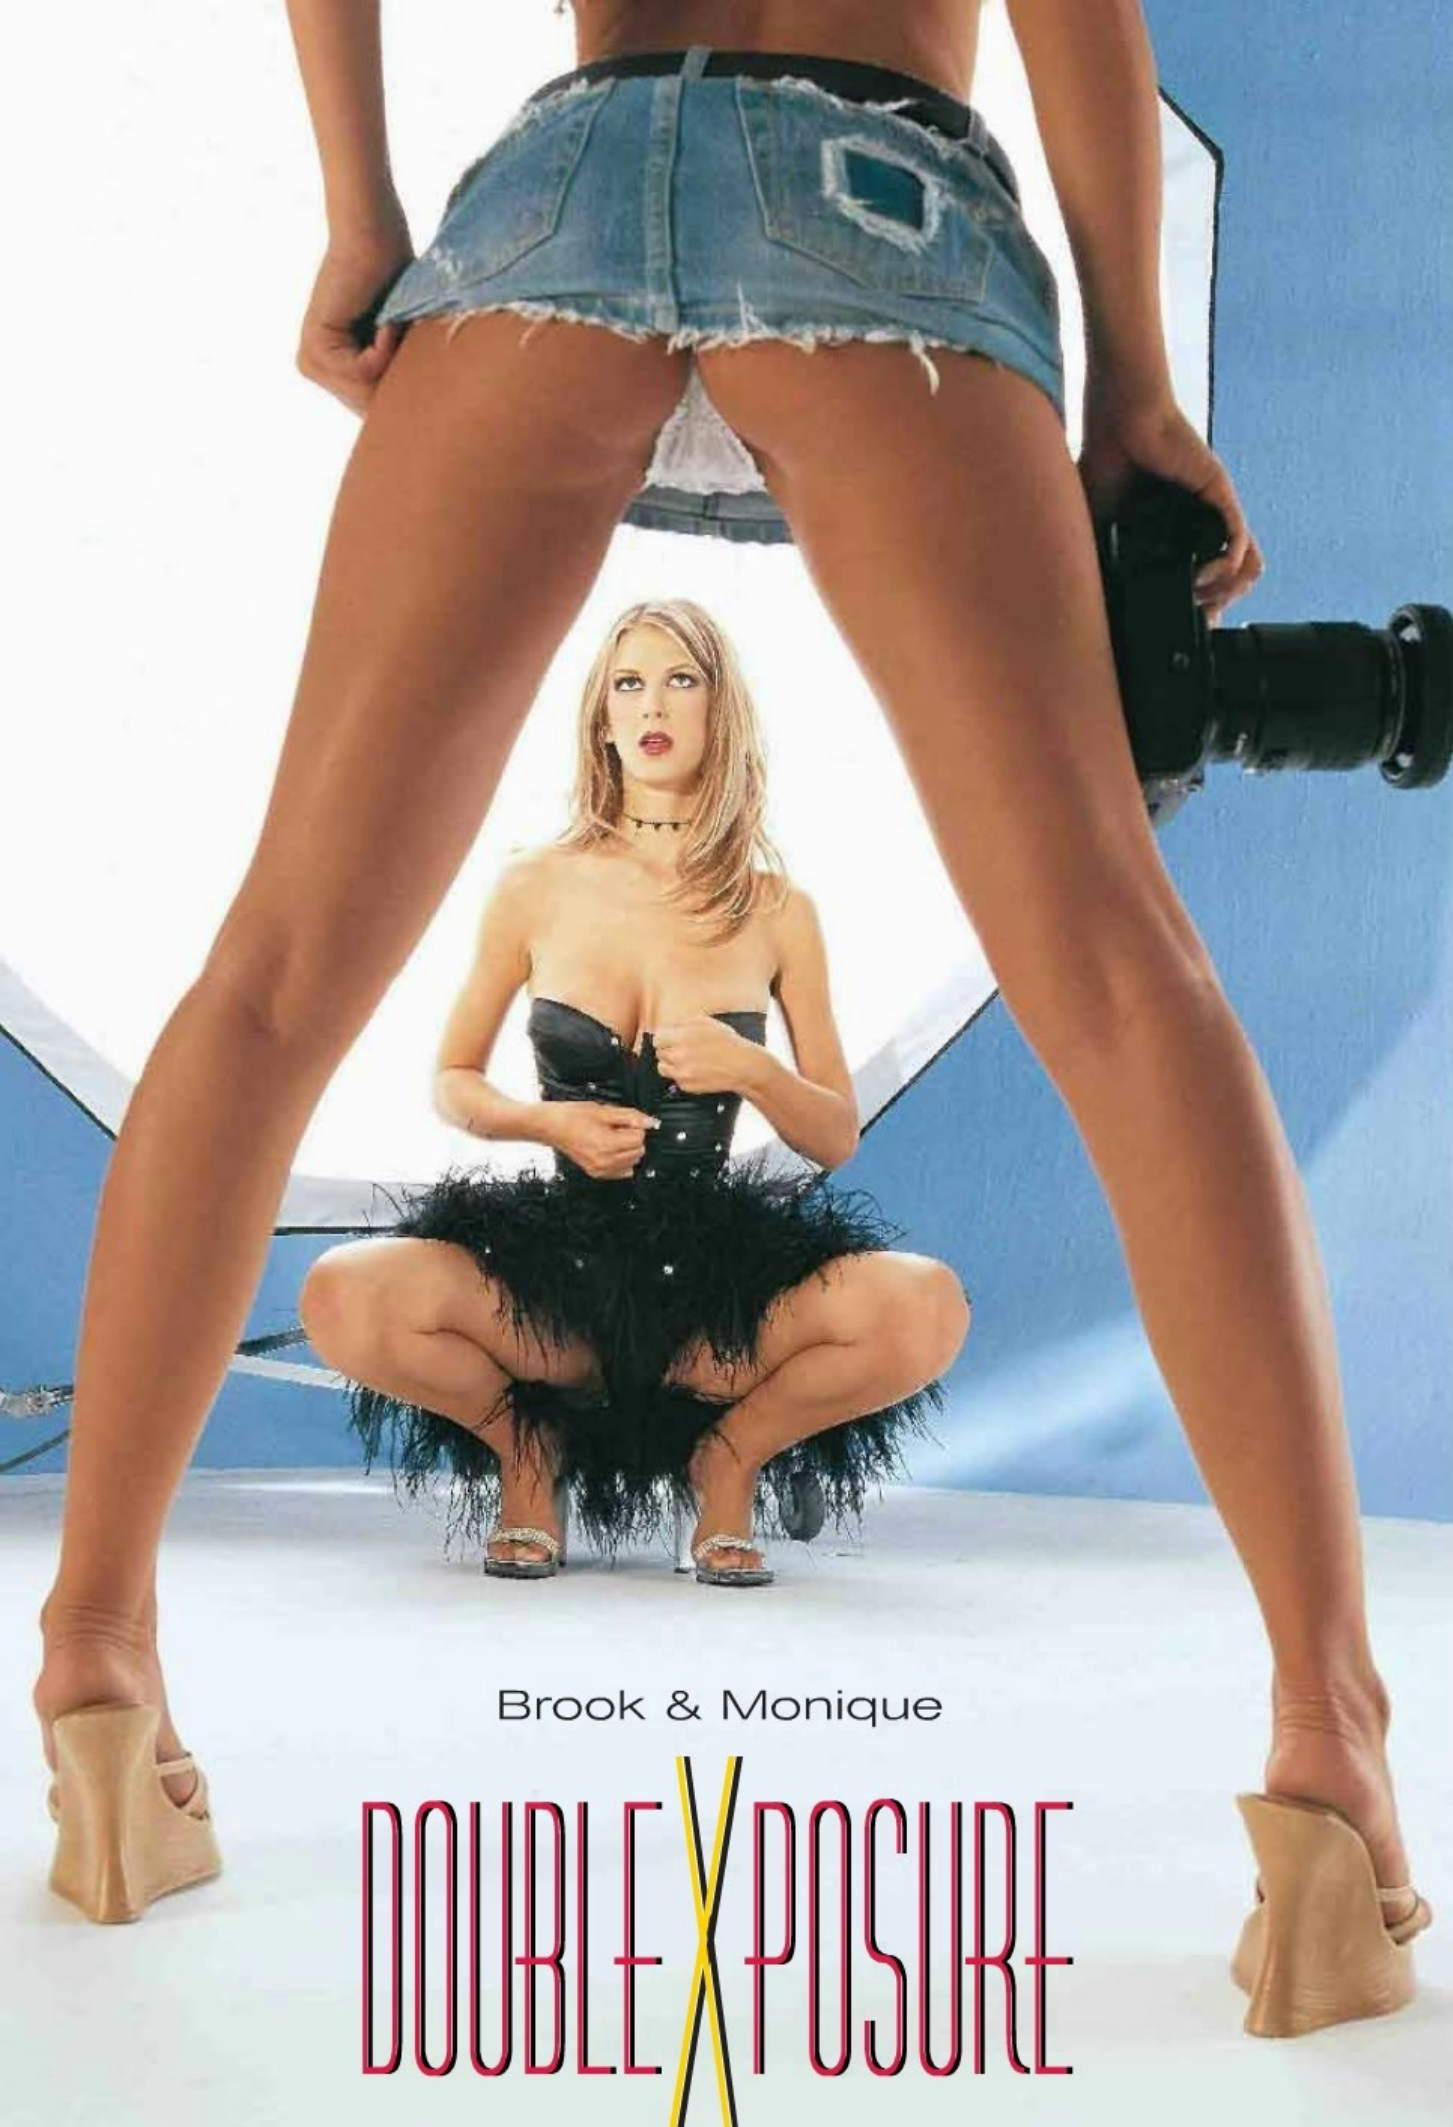

Mark is clearly nervous when Sammi asks him about his love life and his history with women. He's been taught to feel guilty about his sexual needs. No wonder he's a big wimp. But as Sammi explains his problem to him, she strokes his cock through his pants and tells him that girls have sexual desires, too, and that it's never good to keep your feelings to yourself. So what if some girls think he's a jerk. Others will be happy to have sex with him. And once he begins having sex with hot chicks, his whole attitude about life will change, and maybe then he'll quit his clerk job and get into something more fulfilling. Now that she has Mark's cock out of his pants, he's reacting in ways his mother's admonitions can't control. He's a young man with a man's needs, and it's not healthy to hold back. And he definitely doesn't hold back when Sammi swallows his cock. It looks like she's cured another horny guy.

Mark claims that Sammi's sexual expertise has cured him. He wants to fuck every hot chick he meets. He wants stills from his session video in VELVET!

YEARS IN BIZ: 3

CLAIM TO FAME: It seems that heavy-hootered honey Mary is always in the headlines. Whether it be running for Governor of California, breaking bread with the President, or just being her fun-loving self, Mary seems to attract attention where ever she goes. Maybe it's her giant tits on that tall, buxom body. Or maybe it's the fact that she's always ready to have a good time. Mary Carey is truly as popular as they come!

Porn's most famous whore—is no more. Sunset Thomas, the 15 year veteran of the X-biz, famous men's magazine model, and the first-ever major adult starlet to cross the line from video vixen to legal hooker-for-hire, has announced that at the tender age of 33, her prostitution days are definitely over, her video appearances are probably at an end, and she has entered a new erotica era of her fabled fornicative fame. Thomas is indeed going off into the XXX sunset, but as she does, the busty, shapely blonde tearfully tells her fans that still, "In my heart, I will always be a whore!"

The "Sunset Thomas Story" apparently came to an "official end" of sorts recently with a press release from the Las Vegas based, Sikeston, Maine born, and

The Sunset Thomas Story **Courage**

By Marc Medoff/Adult Press Service

Kingford, Tennessee raised hardcore harlot that she had decided to hang up the high heels and retire from "Active Duty" at the Kit Kat Guest Ranch—the legal brothel in Carson City, Nevada where she had been selling her pussy for the past year. Prior to that, in 1998 the 36C-24-36, 5'8" certified nympho had made her then-notorious whore debut at the world-renowned nearby Moonlite Bunnyranch, setting off both sexual and political shockwaves throughout the North American pornography business.

Sunset's decision to retire—after starring in well over 200 sex videos which covered all raunchy roles including endless anal, facial and double-penetration (DP) scenes—came as somewhat of a surprise to industry insiders who had witnessed somewhat of a Sunset "makeover" during the past year. The friendly sexster had left

the Bunnyranch, broken up with longtime boyfriend (Bunnyranch owner) Dennis Hof, appeared set to embark on a number of new X-adventures at the Kit Kat Guest Ranch, and would soon start as a freelance video fucker after her exclusive film contract with VCA Pictures had expired.

Sunset, as lean, fat free and gorgeous as the day she entered the sucks-for-bucks biz back in 1991, had recently spoken happily at the Adult Entertainment Expo (AEE) in Las Vegas of her plans to "fuck as many of my fans as I can in 2005." But that was then, this is now and just a short time later Sunset announced she was taking a different direction in life. "As of February I'm closing the courtesan chapter of my life to focus on all the other wonderful opportunities I have at hand. I'll still be representing the Kit Kat as their official spokesmodel. To that

end I'll make plenty of television and radio appearances. Whatever they need, I'm there," she said. But aside from Sunset's future plans to pursue promotional gigs, live dance appearances, video store signings, and other similar PR activities to push her website, she had other irons in the proverbial fire. She was looking to open her own adult cabaret school of dance, start a clothing line (Sunset Wear) and train her thoroughbred racehorse (also named Sunset Thomas). But her departure from the hooker scene, and probable retirement from video-screwing as well certainly calls for a deeper look at one of modern porn's most popular, and intriguing figurines.

From her unheralded birth on February 19, 1972 to a modest New England family, to her entry into the gash-for-cash biz nearly two decades later, no one ever

imagined that Sunset would turn out to be one of the most notorious porn stars in hardcore history. Her first few dozen fuck flicks in Los Angeles—made during trips from her adopted state of Texas, which gave Sunset her trademark southern drawl—also went without large notice. Sunset did a string of nameless gonzo loops that hardly spelled out future “fame” for the orgasm-junkie. One early series of sex tapes she did for Mike Hott Home Video in 1991 and 1992, with titles like *Cum Cocktails 2* and *Lesbian Sluts 8* star a Sunset that few today would recognize as the same glamorous adult actress, in any way shape or form.

But although starting her journey through the jizz biz rather innocuously, and saddled with a husband (performer Zak Thomas), a child, and an often tempestuous marriage, Sunset quickly rose to the occasion and whipped herself into shape. Then, she not only began starring in better sex flicks, but by the mid-1990’s she landed a number of men’s magazine

covershots—a then unheard of accomplishment for porn actresses.

Sunset was now world famous as a sex performer and an in-demand feature dancer, but most importantly she was continuing to compile a videography that showcased her multiple acting and sexing talents from one end of the erotic-screen spectrum to the other. From sex-packed

gonzo tapes to more thoughtful award-winning feature attractions, Sunset proved her versatility in front of the camera. Taking loads of sperm in the face, mouth, ass, pussy, wherever, there was nothing the hot blonde would turn down. She was always eager to give 150 percent to those who employed her, and most significantly, her fans. Over this period Sunset was

signed up as an exclusive contract performer at one time or another by almost every adult film manufacturer in Los Angeles, and her international dance and autograph appearances all became major media events.

Sunset was a true-blue porn star by 1998 when she made a move that would forever have serious sexual and political ramifications for both herself and the North American porn industry. She signed up to work full-time at the Moonlite Bunnyranch, a legal brothel located in Carson City, Nevada, becoming the first-ever adult actress to hook legally. The subject of porn star prostitutes had always been the XXX business’s most glaring issue. The porn biz always maintained the PR front to the world that its performers were “actors,” not “whores,” and by acknowledging girls were working as prostitutes off-screen, pretty much destroyed their “argument.” So when Sunset moved into the Bunnyranch, and owner Dennis Hof made a big splash of her sexual availability, suddenly the XXX emperor had no clothes. Sunset was now doing what all her carnal colleagues were doing, except she was admitting it, doing it legally, and proudly promoting it. “I just wanted to fuck my fans, get paid for it, and not get in trouble with the law,” says Sunset looking back. “It was really a very simple decision.”

The porn industry went crazy, condemning her privately and publicly, blacklisting her from many porn movies, and shunning her company at social events, hoping that she would eventually just “go away.” And Sunset did “go away,” hardly making an X-film for years as a result, and spending all of her time having sex with her fans, and banking a fortune. While porn industry leaders couldn’t agree on

whether they should attack her or ignore her, Sunset was sucking off hundreds of her fans, and building a popular base of consumer support and loyalty seldom seen among porn performers.

So what finally happened on the way to the supposed end of Sunset's career, dubbed the "Queen of the Bunnyranch" by her admirers and "stupid whore" by her detractors? Slowly but surely, other porn stars, big names and small, began to sign up at the Bunnyranch and fuck their fans as well. Whether they too did not want to risk jail by hooking illegally, or

wanted to work in a safe stable environment rather than make dates with complete strangers in cyberspace, or simply preferred getting paid by the hour rather than spend 18 hours sitting around a porn set all day and night for the same amount of money—over several years the Bunnyranch and other legal brothels in Nevada became "acceptable" to the XXX community.

Once X-players saw they could not beat Sunset, they basically gave up and joined her, so much so that in 2003 Sunset made a full-fledged porn comeback, being signed up as a contract starlet for VCA Pictures (her second term with them), all the while maintaining part-time fucking hours at the whorehouse and feature dancing throughout the States. Sunset had changed the US porn industry forever, and despite being treated like shit by many elements of it, was back, with no bitter feelings and looking, and fucking, as good as ever.

"People said a lot of mean things about me, and what I did, and I was blacklisted by some directors, but I didn't care," says Sunset. "I was the one doing the right thing—doing the legal, safe thing and being honest about who we are. We are people selling sex. Whether you are a porn star or a prostitute, we are selling sex, and I would rather be up front about that, instead of pretending something else."

Sunset's 2002 comeback led to a resurgence of interest in her and her starring role having sex and singing in *Misty Beethoven: The Musical*, a remake of the '70s classic, drew rave reviews as did her leading role in the HBO hit series on the Bunnyranch, "Cathouse." But the Sunset Thomas tale took yet another sharp turn when she and her longtime boyfriend Haf broke up in the fall of 2003 amidst a swirl

of nasty personal and legal aspects to the separation, with Sunset moving just down the road from the Bunnyranch, to the competing Kit Kat Guest House. Sunset lost her VCA contract, but announced that she would continue in the same vein, making movies, hooking and PR bookings, spent much of 2004 regrouping and planning yet another surge out of the bang-box in 2005, when the blonde mistress-of-all sex trades had a sudden change of heart. She decided to finally quit the pay-for-play biz, and devote her time to branding her famous name to various non-hardcore profit-making ventures. "My time at the Kit Kat, especially with all my fans and new friends has been a wonderful, sexually exhilarating experience, but it's time to move on," Sunset opined in her parting comments to the hooker biz. "I'm ending one chapter of my life and embarking on a bunch of others. I will miss the intimacy that working at the Kit Kat has allowed me with fans and friends, but it's time to move on. Hugs and kisses and a whole lotta love to you all!"

Sunset Thomas—porn star, hooker, feature dancer, erotic entertainer, and above all a class act. She did everything that porn asked of her, did more than was called for, paid the price, and still came out on top. ♀

Kaylani Lei &
Mr. Marcus

A COCK FOR KAYLANI

Sure, She's A Tiny
Little Thing, But That
Makes Her More
Determined To Take
On A Big Schlong!

Kaylani Lei is barely five feet tall, and in person, with her slim little (but well-proportioned) body and quiet voice, you'd think a big black man like Mr. Marcus, with his big black dick, would just frighten the bejesus out of her. But in fact, Kaylani is crazy for giant cocks—the bigger, the better. And she delights in trying to get them into her mouth, her pussy and, yes, her puckered little asshole, too. A student of yoga, Kaylani knows how to stretch every part of her body, including all three orifices. She's not fully contented unless one of those orifices is stuffed; so packed that she couldn't handle one more millimeter of meat—though she'd surely try!

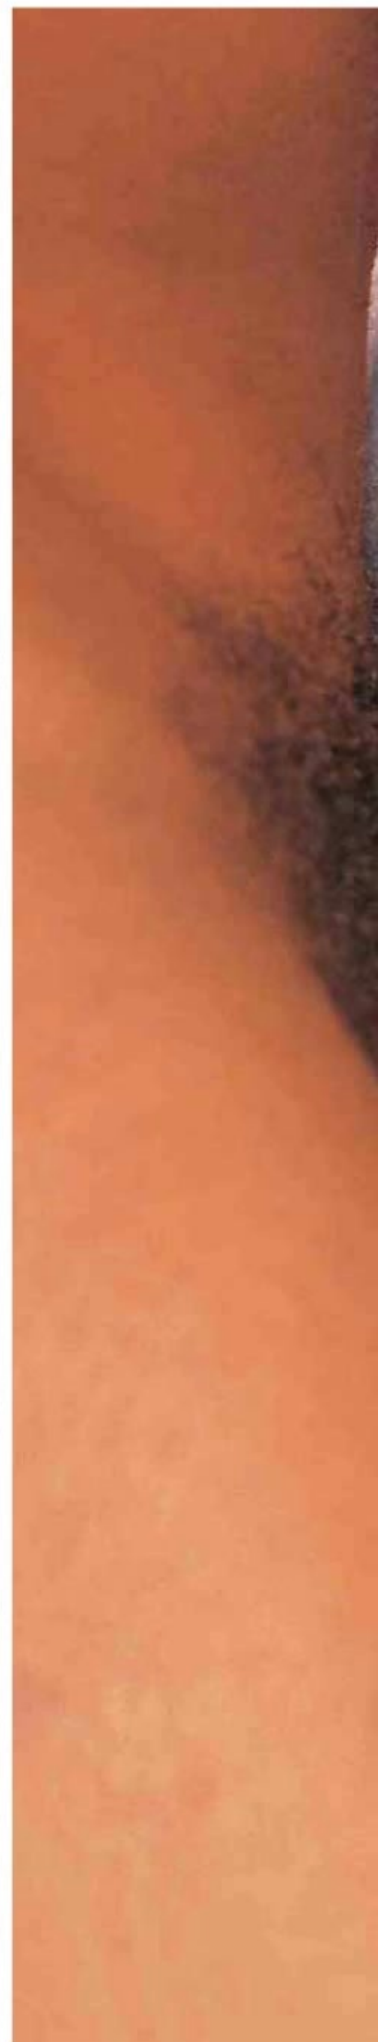

"C'mon, big man, you can give little ol' me another inch or two, can't you?" Kaylani taunts Mr. Marcus.

"Don't stop now, baby, I can see you've still got another two or three inches there for me, so don't be afraid. I'm not a porcelain China doll. I won't break!"

But Mr. Marcus isn't so sure. He's fully aware of his own large size, and no matter what she says, Kaylani's still just a tiny slip of a thing.

Kaylani has already admitted defeat in her attempt to deepthroat Mr. Marcus's super schlong, but she's still determined to take him all the way deep inside her pussy, which now is super-slick with her juices and completely relaxed from a half hour of fucking and sucking. The only thought in Kaylani's mind now is to reach nirvana, and the only way that'll happen is if Mr. Marcus squirts his cum deep, deep all the way inside her!
